

Self-Catering Guidelines

We ask that you leave the camp in the state that you found it.

Please put any moved furniture back the way it was. We will vacuum and mop floors and clean bathrooms.

We ask that any **amplified equipment** be used indoors only at night time and that it is turned off at 12pm.

Alcohol is permitted on site, however we ask that it is consumed sensibly and any rubbish be put in bins.

Please use **wood** conservatively by ensuring the vents are shut down once the **fire** is established to keep it burning for longer.

What to bring:
